

University Destinations 2016

Eastbourne College has an excellent record of university entrance success. Each year almost all leavers go on to undergraduate courses after their A-level exams, with the majority entering the Russell Group of leading British universities. Over the past five years, over 30 pupils have taken up places at Oxford and Cambridge, and in 2016 seven pupils secured places at Oxford and Cambridge to read subjects as diverse as classics, economics, fine art, law, natural sciences, PPE (philosophy, politics and economics) and theology and religious studies. There is a programme of careers information and talks in the sixth form as well as robust support through the UCAS process, and guidance can be offered to any pupils applying to universities elsewhere in the world including the USA.
