Steeplechase

1995-96: Year 9 girls relaxing after the steeplechase

Swimming

The College girls relay team at the Bath Cup competition, Crystal Palace, 1996

Tennis

1982: Victoria 'Lulu' Brown (Nugent 1980-82) centre front row

Tennis

EASTBOURNE COLLEGE GIRLS SQUAD RANKED 3 IN GB

'Tennis town', Eastbourne, is not only the home of the Devonshire Park International tournament but also where a number of talented tennis players are combining their academic education with top tennis at Eastbourne College. The main focus of the all year round tennis provision at the school is the 6th form senior girls' squad. In 2017, the girls finished second in the Independent Schools Tennis Championships and 6th in the British Schools National Finals. This summer, the talented group are hoping to emulate or better their past achievements in the national finals.

Individually, the girls are ambitious for their own tennis. With Luke Milligan and Luciano Cestari leading the coaching team, along with Simon Gent – Head of Tennis at the College; a full training programme is in place. The girls practise at the College and indoors at David Lloyd Eastbourne in the winter months. They also benefit from a detailed Strength and Conditioning programme using the superb new gym and sports facilities recently opened at the College.

Eleanor Chapman and Ines Pelvang have won tennis scholarships to USA Universities for this year, whilst Ellie Dasent has been selected for the Sussex Ladies

County Cup summer team. Phoebe Watton, Aziza Aubin and Valentina Khalturina are all applying for tennis scholarships in 2019.

With a new crop of County standard (or above) players joining existing players at the College in September 2018, the future looks very bright for further tennis excellence in Eastbourne!
