

University Destinations for 2019

Eastbourne College has an excellent record of university entrance success. Each year almost all leavers go on to undergraduate courses after their A-level exams, with a large number of those entering the Russell Group of leading British universities.

There is a programme of careers information and talks in the sixth form as well as robust support through the UCAS process, and guidance can be offered to any pupils applying to universities elsewhere in the world including across the EU and the USA.

Russell Group Universities	Aberdeen	Business Management	Other Universities
