

Graduate Debater in Residence

September 2021

Introduction

Eastbourne College Incorporated (ECi or 'the Charity') comprises St Andrew's Prep ages 7-13 and Eastbourne College, ages 13-18, co-ed day and boarding schools.

Eastbourne College Incorporated (ECi) seeks to appoint a recent graduate to provide inspiration and enrichment to pupils' learning through debating, public speaking, model united nations, and other academic enrichment activities. The right person will have a unique opportunity to work in a stimulating environment where resources, buildings, colleagues and pupils all strengthen the process of teaching and learning.

The Post

The College seeks to appoint an inspirational and energetic graduate to bring innovation and further enrichment to the school's debating and public speaking. The appointee will lead the delivery of debating, model united nations and public speaking across the two schools, including coaching and preparing the teams for national competitions.

In addition the post-holder will also help support the teaching staff with academic extension activities of curriculum subjects as best fits their skills and interests, and advise pupils on preparing for US university admission. There will be an opportunity to take a role in the sporting life of the school, as desired. It is expected that the successful applicant will bring their own talents, skills, ideas and interests to develop and enrich the educational experience for our boys and girls.

The role will also involve pastoral duties within a boarding house, which will include some evenings and some weekends. Accommodation will be provided within a furnished and equipped flat (including bedding and towels). (Shared) use of a school car (with automatic transmission) will allow for social and personal visits, as well as travel to and from school events.

The post would suit someone looking to apply their skills in a new context, providing fresh opportunities for reflection, research, presentation and leadership. The successful candidate will have the ability to nurture pupils' oracy while communicating enthusiasm and arousing curiosity through their inspirational support and guidance.

The post would be particularly suitable for those wishing to gain experience of working within high-performing departments in preparation for further study, those considering teaching, or those from abroad wishing to experience life in Europe while being accommodated and receiving a generous allowance.

Postscript

There are many attractions to teaching at Eastbourne College incorporated, not least its location on the south coast in the sunniest part of the country.

The College and School provide safe urban environments in an attractive part of a peaceful town where pupils have easy access to shops, cinemas and theatres at appropriate times, and this strengthens the boarding experience. The railway station is close, with easy travel to Gatwick (one hour) and London (under 90 minutes). The beach and sea are a five-minute walk away and the South Downs (the newest National Park) are on our doorstep.

The schools are a strikingly happy, cohesive and coherent community. We look forward to meeting you.

BACKGROUND INFORMATION

Eastbourne College Incorporated (ECi)

Eastbourne College Incorporated is the term for the combination of Eastbourne College (pupils Age 13-18) and St. Andrew's Prep School (pupils age 7-13). The two schools are run separately but are part of the same charity and a single Board of Governors bears overall responsibility. The Debater in Residence post will allow and expect the post-holder to work across both schools, gaining experience of both primary and secondary phase education. It is likely that the day-to-day management of the post will fall to the College and so most of this job description refers to the College.

The College

Eastbourne College is a co-educational HMC independent school of just over 630 pupils, of whom half are full-time boarders. It is a strong community with excellent links with local schools and the remarkable town in which it is located.

Academic standards are very high with an average of 85% of A-level grades being awarded A*, A or B in the last four years. At GCSE approximately two thirds of all grades awarded are A* or A. The College recruits from a wide ability range and value added outcomes are exemplary. The majority of College leavers enter higher education in leading universities at home or abroad.

The College is run as a full boarding school with a six-day per week academic and co-curricular timetable. Day pupils share the same wide curriculum as boarders and enjoy equal access to the physical and human resources of the school.

We are proud of our rich cultural and sporting traditions. The modern Birley Centre is a hub of the performing arts and has a performance space ideal for debating events. There is also a school theatre that can hold a large audience, a drama studio space, and other spaces conducive to debating and public speaking workshops for smaller groups. College artists exhibit in London, actors have starred in film and TV; the Design & Technology (DT) department wins an extraordinary number of Arkwright scholarships. We have an enviable reputation for sport both regionally and nationally. Eastboundians frequently represent the county in hockey, rugby, cricket and netball; several old Eastboundians have gone on to achieve international honours. There are also thriving Combine Cadet Force, Duke of Edinburgh's Award scheme and Service at School (S@S) programmes.

As we celebrated our 150th year, the College completed the most ambitious development project in its history. Project 150 saw the delivery of over 30 state of the art classrooms, ICT suites, a new swimming pool, café, school shop, dance studio, sports hall, squash courts, dining hall and fitness suite. We believe that the College has some of the best facilities of any school in the UK.

Eastbourne College places great emphasis on the importance of developing a school in which education is built on core values and positive, supportive relationships. These central qualities will endure long after a student moves on from the College. The five key values of participation, the pursuit of excellence, integrity, courtesy and kindness are, it believes, the bedrock upon which every child's education should stand, providing them with the wherewithal to flourish both at school and beyond.

St. Andrew's Prep

Founded in 1877 and home to 360+ pupils from 9 months to 13 years, St Andrew's is a non-selective co-education IAPS prep school which prides itself on breadth and excellence. Most are day pupils but 25 to 30 boarders live within the heart of the school with space for a further 20 flexi boarders – a facility used by a large number of children over the course of the year.

The school is set in twelve acres of sports fields. The beach is a five-minute stroll away and a number of classrooms overlook the sea and the South Downs. With nature on its front door, St Andrew's offers unique Forest and Beach Schools which provide opportunities to complement classroom study with outdoor learning.

St Andrew's Prep's sporting pedigree is excellent with representatives winning medals at many county, regional, national and occasional international event across the sports of Rugby, Football, Cricket, Athletics, Hockey, Tennis and Netball. However, there are teams for every ability ensuring that each child represents the school. The school has an impressive sports hall and the recently refurbished Fives court has just re-opened. DT, Art, Drama and Music are of an exceptional standard. Recent LAMDA results have been outstanding and many of our musicians (80% of the pupils play an instrument) reach the higher ABRSM grades.

After-school and optional Saturday morning activities are numerous and varied and include, among many others, golf, jazz dance, pot throwing, steel drums, shooting, water polo, mountain biking and fencing. The school has its own Community award which aims to nurture confidence and independence, develop a breadth of interest in each child and create a stronger sense of identity and community.

St Andrew's amalgamated with Eastbourne College in 2010. The two schools retain a good deal of independence and their own identities, but share some facilities and support staff and are working to establish strong interdependent links which will benefit the education of the children within the wider charity. The two headmasters have their own separate teaching staffs and the Headmaster of St Andrew's is not line managed by the Headmaster of the College.
