PENNELL PRESS

The Pennellians survived the longest Lent term in recent history and finished with a bang with the house revue and giving day. We are on the turn in the sporting world with some solid house sports performances. This Newsletter will look back at some of the key highlights of the term.

School Sport

Congratulations to Barney Revill and Ross Seavill who represented the 1st XI Hockey team this term. There were only two losses for the team in the regular season and both of those losses ended their cup runs. Ross and Barney also played for the 3rd team in football on Saturdays showing the spirit of boarding! Congratulations to Emmanuel Erebor, Luca Bissoli and Elias Clive for representing the 1st XI football team. Jamie Foks and Fedya Kryuchkov represented the school in the pool and Fedya and Will Wood also got a taste of senior hockey playing for the 3rd XI. Cedric Leung, Daniel Leung and Hector Chong have enjoyed representing the school in badminton with Skyler Yiu, Max Ge, and Harvey Patterson have had a good seasons on the basketball court and we wish Harvey well with his recovery from injury.

CHARITY

Our charity reps, Max Harrison and Fedya Kryuchkov decided to raise funds for Oddballs this year. We raised about £135 from our House revue and £250 from Matron's Easter egg fundraiser. Thank you for your contributions on the night and also sending in mini eggs!

Giving Day was a roaring success and well done to Sam Kirk and Rob Cain for all their organising as our ambassadors. Please see some photos from the day below.

CREATIVES

Once again a plethora of creative activities this term. Congratulations to Fergus Lawson Johnson for winning the 1st ever Sewing Bee competition. James Yee has rented a room in the Birley Centre this term and he can be seen with his guitar at the Charity revue. He was instrumental (excuse the pun) in organising the house band for our revue. Well done to the Y9s and I0s for putting on some excellent entertainment at the revue and Y12 for a solid dance. Jayden and Jamie were the video extraordinaires in Y11 and I3 and topped off my Max and Barney turning into Ant and Dec! Our biggest and best a Cappella performance was on the penultimate night. Well done to all who have been on the stage this term.
