A Very Warm Welcome to Eastbourne College!

I'm delighted to welcome you on our inaugural *Escape to the Seaside*, a special day designed to give you a true taste of life at Eastbourne College - and of the extraordinary setting we're fortunate to call home.

As well as meeting some of my colleagues during your visit, and some of our wonderful pupils, you'll be shown round our state-of-the-art campus, and explore the beautiful Downs and coastline that shape our school's character. In this way we hope that you will experience a flavour of the culture and community that make Eastbourne such a unique place for children to learn, grow and thrive.

We've timed your visit to coincide with the opening day of the Eastbourne International Tennis Tournament, a world-class sporting event just a stone's throw from our campus. We believe it's the perfect example of how Eastbourne combines a relaxed, coastal charm with an energising spirit of excellence and ambition - much like the College itself.

You'll also find enclosed a digital pack with links to more detailed information about the College, our academic and co-curricular provision, and all that this stunning area has to offer. I do encourage you to browse at your leisure and come with any questions - we'll be happy to answer them during your visit.

I look forward to meeting you in person and to sharing what makes Eastbourne College such a special place for young people to flourish.

With best wishes

Tom Lawson
