

TERMS AND CONDITIONS

What these terms cover. These are the terms and conditions on which we provide the Services.

Why you should read them. Please read these terms carefully before you accept our offer of a place at the School for your child. These terms tell you who we are and how and on what basis the School will provide the Services.

In these terms you will see some parts written in bold or highlighted to stand out. This is in an effort to draw certain provisions to your specific attention because they are important to the good management and operation of the School and our provision of the Services.

If you think there is a mistake in these terms, or if anything in these terms is unclear or you would like to have further explained to you, then please contact the Chief Operating Officer to discuss.

1. **Definitions**

- (a) *Meanings of some words and phrases we use in these terms and conditions.* In these terms and conditions some words and phrases have particular meanings and it is helpful to ensure certainty and consistency to have them defined. Such defined terms are set out below and when used in these terms and conditions they shall have the meaning given to them here.

"Board and Lodging" means, for both full boarders and flexi boarders, the School's provision of accommodation for your child and any meals served as part of our boarding provision excluding any meals which are charged for separately as a Specified Charge;

"child" means a child of whatever age admitted by the School to be educated;

"Complaints Procedure" means the School's procedure for handling complaints from parents, as amended from time to time for legal or other substantive reasons, or in order to assist the proper administration of the School. It does not form part of the contract between you and the School. A copy of the most up-to-date procedure is available from the School at any time upon request and is also available on the School's website;

"contract" has the meaning given in Clause 1(c) below;

"deposit" means the sum set out in the Schedule of Fees (and includes, where applicable, any Overseas Deposit (see clause 2(a)));

"Education Services" means the School's provision of classes and lessons to your child;

"Fees" means the School Fees plus any and all Specified Charges, being the total amount payable by you to the School for the Services each term;

"fees in lieu of notice" means a term's School Fees plus any non-optional Specified Charges, calculated in accordance with (as applicable) Clause 3(c) or Clause 5(a). Where applicable, fees in lieu of notice will be reduced to take account of any scholarship, bursary or other award awarded to you;

"FIA Terms and Conditions" means the supplemental terms and conditions relating to the School's fees in advance scheme;

"Guaranteed Place Form" means the form provided by the School for parents to complete when accepting a place for their child at the School;

"Head" means the person appointed by the Governors of the School to be responsible for (or to share in the responsibility for) the day-to-day running of the School, including anyone to whom such duties have been delegated;

"Schedule of Fees" means the list setting out the price for each of the Services, a copy of which remains available on the School's website and from the School at any time upon request;

"School Rules" means the body of rules and policies of the School which set out our expectations concerning conduct and behaviour as may be amended from time to time for legal, safety or other substantive reasons, or in order to assist the proper administration of the School. A copy of the documents comprising the School Rules is available on the School's website and from the School at any time upon request;

"School Fees" means the termly fees for the provision of Education Services and for Board and Lodging, as set out in the Schedules of Fees;

"Services" means all the services to be provided by the School on the terms and subject to the conditions of this contract, including Education Services and Board and Lodging (which are covered by the School Fees) and any other services (which are covered by a Specified Charge);

"Specified Charges" means the charges for each Service excluding Education Services and Board and Lodging, as set out in the Schedule of Fees;

"term" means a term of the School as published on the School's website and as notified to parents from time to time;

"a term's notice" means **written** notice given not later than the first day of the term before the term in which the notice is due to take effect. If, for example, you wish to withdraw your child from the School with effect from the start of the Michaelmas term, then the Michaelmas term will be the term in which the notice is due to take effect. In this example (i.e. where notice is due to take effect at the start of the Michaelmas term) then a term's notice means you need to tell us in writing about the withdrawal, at the latest, on the first day of the summer term immediately before;

"terms and conditions" means these terms and conditions as may be amended from time to time;

"we" or the **"School"** means the legal entity carrying on as the School as identified in Clause 1(b) below; and

"you" or the **"parents"** means each person who has signed the Guaranteed Place Form as a holder of parental responsibility for the child, or a person who with the School's express written consent replaces a person who has signed the Guaranteed Place Form.

In these terms and conditions we sometimes provide illustrative examples to try and provide you with a better understanding of what we are referring to. We do this by using the words **"for example"**, **"includes"** or **"including"**. When we do use these

words, it means that the examples that are given are not exclusive or limiting examples of the matter in question.

We also use headings to introduce separate provisions. These headings are for ease of understanding only.

- (b) Who we are. We are Eastbourne College Incorporated, a company limited by guarantee registered in England and Wales. Our company registration number is 00115408, our charity registration number is 307071 and our registered office is at Marlborough House, Old Wish Road, Eastbourne, Sussex, BN21 4JY. Our registered VAT number is 445091989.
- (c) Our contract with you. The **Guaranteed Place Form**, the **Schedule of Fees**, the **School Rules** and these **terms and conditions** (as in each case may be varied from time to time) form the terms of an agreement (the "**contract**") between you and the School. It is not intended that the terms of this contract shall be enforceable by your child or by any other third party.

2. Acceptance and Deposit

- (a) How you accept our offer of a place. An offer of a place for your child at the School is accepted by your submitting the completed Guaranteed Place Form and paying the deposit. For reasons of administration, the right is reserved to require payment of a full term's boarding fees plus likely extras as a deposit if your child's normal residence is outside the United Kingdom ("**Overseas Deposit**").
- (b) The status of the deposit. The deposit will be held as security to secure performance of your obligations under this contract. Subject to Clause 2(c), unless you indicate that you would like to donate the deposit or sum as specified by you to the School's Bursary fund, the deposit will be returned to you on your child's leaving.
- (c) Circumstances where the deposit will not be returned to you. You authorise us, and we will be entitled to, retain, deduct from or otherwise apply the deposit (as applicable), if:
 - (i) you fail to pay the School's final invoice;
 - (ii) you owe the School fees in lieu of notice (whether in accordance with Clause 3(a) or Clause 5(a));
 - (iii) your child does not take up their place at the School, in accordance with Clause 3;
 - (iv) your child is excluded or required to be removed from the School, in accordance with Clause 7(d)(i); and/or
 - (v) the School terminates the Parent Contract, in accordance with Clause 14.
- (d) What happens to donated deposits. Where you have ticked the donation box set out in the Guaranteed Place Form, you direct the School to apply the deposit or sum as specified by you will be paid out on your behalf to the School's Bursary fund. You will be responsible for making the final payment of the Fees or other sums due to the School on your child's leaving (unless otherwise stated in these terms and conditions). You agree to complete a Gift Aid declaration form as requested by the School in order that the School may reclaim Gift Aid on your donation.

PLEASE READ THIS NEXT SECTION CAREFULLY - it deals with what you need to do if you wish to withdraw your acceptance of a place **before** your child joins the School and what happens if you withdraw at that stage.

The cancellation of a place which has been accepted can cause losses to the School, especially if it occurs after other families have taken their decisions about schooling for their children as it means we are less likely to fill the place. This is why we require the period of notice referred to in this section for a withdrawal, and why different consequences follow depending on whether we get that period of notice or not.

3. Withdrawing your Acceptance of a Place before your child joins the School

- (a) Notice to withdraw your acceptance of a place before your child joins the School. If you wish to withdraw your acceptance of a place **BEFORE** your child starts at the School you **must** either give us a term's notice to that effect or pay to the School fees in lieu of notice. For example, to withdraw your acceptance of a place starting in September you would either need to tell us on or before the first day of the preceding summer term or pay fees in lieu of notice.
- (b) If we receive notice. If you provide notice in accordance with clause 3(a), no fees in lieu of notice will be payable but as you have not taken up your child's place at the School you will lose the deposit.
- (c) If we do not receive notice. If you do not provide us with notice in accordance with clause 3(a) (or if no notice is provided at all) fees in lieu of notice will be payable by you and will become due and owing to the School upon demand as a debt. The fees in lieu of notice will be charged at the rate applicable for the term when your child was due to start. The School will credit the deposit you have paid (without interest or any entitlement to repayment under Clause 2(b) above) to the payment of the fees in lieu of notice you will owe us (and you hereby acknowledge and agree that the School shall be entitled to retain the deposit on account of payment of the fees in lieu of notice). Where applicable, such fees in lieu of notice will be reduced to take account of any scholarship, bursary or other award awarded to you.
- (d) Offers made entirely at distance. If the offer of a place and its acceptance are both made entirely at distance by means of post or electronic communication without either of you meeting face to face with a member of the School staff you may cancel this agreement at any time within 14 days of the date of signing the Guaranteed Place Form. In such circumstances the deposit will be refunded together with any Fees paid pro-rated if the School has provided any of the Services under this agreement.
- (e) Offers made in the term immediately preceding the term of entry. Save where clause 3(d) applies, if the offer of a place is made in the term immediately preceding the term of entry you may cancel your acceptance in writing at any time up to fourteen days from the date of the Guaranteed Place Form. The deposit will then be retained by the School. If you give notice of cancellation after this date or give no notice of cancellation then a term's fees will be payable and shall immediately become due and owing to the School as a debt, at the rate applicable to the term your child was due to start.

4. School Fees, Specified Charges and Payment

- (a) School Fees. Unless set out in the Schedule of Fees or notified to you at any time, the School Fees cover the provision of Education Services and, if applicable, Board and Lodging.
- (b) Specified Charges. The Specified Charges are payable in respect of each Service excluding Education Services and Board and Lodging. Some Specified Charges are optional, and others are not optional. Please see the Schedule of Fees for further

information. Any and all Services which are optional are supplied independently from each of the other Services.

For the avoidance of doubt, extra-curricular activities (such as private music lessons, School trips and visits) will always need to be paid for by way of a Specified Charge. Likewise, all additional costs of special measures (such as medical costs, taxis, air fares, or professional advice) necessary to protect your child's safety and welfare, or to respond to breaches of discipline, for example where a pupil alone or with others has caused wilful loss or damage to school property or the property of any other person (fair wear and tear excluded), will always need to be paid for by way of a Specified Charge. In addition, all public examination charges shall be charged for by way of a Specified Charge. This is a non-exhaustive list of items that incur a Specified Charge, and there will be many other items that are charged for by way of a Specified Charge.

(c) VAT and applicable taxes.

- (i) Except as expressly stated otherwise in the Schedule of Fees, all of the Fees are exclusive of VAT and any other taxes, which will be added (where applicable).
- (ii) You may be required to reimburse the School for any costs or expenses we incur on your or on your child's behalf. If this happens, you must also reimburse the School for any VAT applicable on such costs or expenses, unless we are entitled to a credit or repayment from HMRC in respect of that VAT.
- (iii) If the School at any time assesses (or HMRC at any time determines) that any of the Services supplied by the School under this contract are subject to VAT, and the School has not already charged you VAT on the applicable Fees for those Services, the School will promptly notify you and confirm the amount of VAT payable in respect of the relevant Fees and you will pay an amount equal to that VAT within fourteen (14) days of the School notifying you.

PLEASE READ THIS NEXT SECTION CAREFULLY - it deals with your responsibility to pay the Fees.

- (d) Who is responsible for payment. **Each of you is responsible for ensuring that all of the Fees are paid to the School. This is because our contract applies to both of you together and each of you on your own.** In practice this means that if any of the Fees have not been paid then the School can, in its discretion, choose to seek payment of the amount outstanding from either or both of you. The only exceptions to this are set out in Clause 4(e) immediately below. Court orders (for example, where parents are separated or divorced) and other arrangements between parents or third parties relating to fees do not normally bind or apply to the School, and do not extinguish either of your responsibility for the Fees due under this contract.
- (e) How one parent can remove him/herself from their payment responsibility and circumstances where the School may agree to accept payment from a person who has not signed the Guaranteed Place Form and is not a party to this contract. A parent may be removed from their payment responsibility under this contract but that parent **must** have obtained the prior written consent of both the School and the other parent who has signed the Guaranteed Place Form before submitting such notice. Separately, the School may agree in writing with each of you to accept payment from a third party (for example, a grandparent or employer), but this will not discharge your payment responsibility under this contract, unless we agree otherwise in writing.
- (f) How bursary/scholarship or other awards are treated. A bursary/scholarship or other award may be withdrawn in accordance with the terms upon which such award is made and/or if, in the opinion of the Head, your child's attendance, progress and/or behaviour

(and/or your behaviour or conduct (or the behaviour or conduct of one of you, including in relation to an application for the award)) no longer merit the continuation of the award.

If your child has been awarded a scholarship/bursary or other award which includes financial assistance (e.g., by way of fee remission), your responsibility will be to pay the amount of Fees due after taking account of that award. Where it appears likely to the Head that an award which includes financial assistance may be withdrawn, you will be notified in advance and, if within fourteen (14) days of that notification you give notice to withdraw your child from the School, no fees in lieu of notice will be payable by you.

- (g) How the School Fees are charged and payment requirements. The School Fees are charged on a termly basis, regardless of the length of any term and regardless of your child's year group. **Each term's School Fees fall due for payment by you on or before the first day of that term** by the payment methods stated on the invoice. Cash and cheques are not acceptable. Each term's School Fees will be included in an invoice sent to you (or such other person(s) the School may have agreed separately shall pay the Fees under Clause 4(e) above). **We may not allow your child to attend the School if you do not pay the School Fees on time.**
- (h) Payment of Specified Charges. All Specified Charges for each term (and for other unpaid Specified Charges that were agreed during the previous term) will be included in the School's invoice for the School Fees. All such Specified Charges must be paid in full by the payment methods stated on the invoice (cash and cheques are not acceptable) on or before the first day of the next term.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what rights we have, and what action we may take, if Fees are not paid in accordance with these terms and conditions.

- (i) Consequences of non-payment or late payment. If you do not make any payment to the School by the due date for payment, we may:
- (i) refuse to allow your child to attend the School, withhold any references, and/or withdraw sponsorship of your child's Child Student or Student Visa (if applicable) while the School Fees remain unpaid or if there is a repeated or persistent failure by you to pay the School Fees on time. This applies in addition to our right to terminate this contract under Clause 14;
 - (ii) refuse to allow your child to participate in or receive the relevant Service while the applicable Specified Charge remains unpaid;
 - (iii) charge interest on the overdue amount at the rate of 3 per cent a year above the base rate from time to time of the School's bank. This interest will accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after we obtain a court judgment against you;
 - (iv) charge you the costs we incur in recovering, or attempting to recover, any unpaid amount from you (including reasonable legal costs); and/or
 - (v) inform any other school or educational establishment to which you propose to send your child of any non-payment or late-payment.
 - (vi) You agree that we can appropriate a payment made to the School in respect of one child to the unpaid account of any other child of the family.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out our right to increase the Fees during the course of your child's time at the School.

- (j) Our ability to increase the School Fees. We will review the School Fees (usually annually) and may increase them. If we:
- (i) give you notice of an increase to the School Fees before the end of the penultimate term before the increase is to take effect, you will have sufficient time to provide a term's notice of withdrawal under Clause 3(a) or Clause 5(a) without having to pay fees in lieu of notice; or
 - (ii) give you notice of an increase in the School Fees which exceeds 8% later than the last day of the penultimate term before the increase is to take effect, you will be entitled to withdraw your child from the start of the following term as long as you give the School notice in writing of the withdrawal within twenty-one (21) days from the date when notice of the increase in the School Fees is given. If you provide this notice you will not need to give a term's notice or pay fees in lieu of notice; but
 - (iii) give you notice of an increase in the School Fees which is both (i) less than 8% and (ii) given later than the last day of the penultimate term before the increase is to take effect, then Clause 3(a) or Clause 5(a) (as applicable) applies and you will need to provide either a term's notice of your intention to withdraw your child from the School or pay fees in lieu of notice.
- (k) Our ability to increase the Specified Charges. We will review the Specified Charges and may increase them. Where practicable, we will try to give you notice of any material increases to the Specified Charges.
- (l) Fees will not be reduced due to your child's absence or the School's closure. Fees will not be reduced or refunded as a result of absence due to illness or otherwise, or as a result of your child being required to study from home because we are providing Education Services remotely for whatever reason. If your child takes study leave at home before or during examinations, or stays at home following those examinations, or if a term is shorter than others (or shortened), no reduction of Fees will be made in respect of any periods spent at home.
- (m) Information on your identity and the source of funds. From time to time we may ask you to provide us with sufficient information so that we can properly and accurately verify to our satisfaction:
- (i) your identity;
 - (ii) your child's identity;
 - (iii) that you are not subject to, or within the purview of, any national or international financial, economic, trade, travel or other similar sanctions imposed by any competent authority;
 - (iv) your child's right to enter, live and study in the United Kingdom;
 - (v) the legitimate source of funds you are using to pay the Fees; and
 - (vi) information provided to us as part of, or in connection with, an application for (or our grant of) a bursary/scholarship or other award.
- You must provide the School with the information and documentation we ask for.
- (n) Allocation of payments to your Fees account. The School is entitled to allocate payments from you to your account as it sees fit. For example, the School is entitled

to allocate a payment made in respect of one child to the unpaid account of any other child of yours at the School.

- (o) How School Fees are discharged under our 'Fees In Advance' scheme, and your continued responsibility to pay any outstanding or additional amounts still owed to the School. Where you and the School have entered into an agreement incorporating the FIA Terms and Conditions (i.e., where you have prepaid all or part of the School Fees due under this contract) you will still need to meet the difference (if any) between the amount per term prepaid under the FIA Terms and Conditions and the total Fees and other amounts due in respect of your child each term under this contract. The School will provide a termly statement of account in respect of the School Fees, Specified Charges and other amounts due, and the difference will be payable in accordance with the terms of this contract.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what period of notice we require from you if you wish to withdraw your child from the School, change the nature of your child's place at the School, or remove your child from participating in an activity or receiving a service for which there is a Specified Charge.

5. Notice Requirements

- (a) Notice to withdraw your child from the School. **If you wish to withdraw your child from the School (other than at the normal leaving date i.e. the end of the Upper Sixth Year), you must either give us a term's notice or pay to the School fees in lieu of notice. Those fees in lieu of notice will be charged at the rate for the term that would have been the final term of your child's education had you given a term's notice (and not the rate for the term when you gave notice).** For example, if you wish to withdraw your child with effect from the start of the Michaelmas term (i.e., at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your child on or before the first day of the preceding summer term (i.e., the final term of the preceding academic year) or pay fees in lieu of notice (at the rate applicable for the Michaelmas term). The School will apply the deposit you have paid as payment of any such fees in lieu of notice.
- (b) Requests to change your child's place at the School. The School has different tariffs for both day and boarding pupils. You may submit a request to move your child to a different day or boarding tariff. Such requests will be granted at the School's discretion, subject to a relevant place being available. Where the School agrees to any such request, the change will come into effect at the beginning of the next academic year, unless otherwise agreed at the Head's absolute discretion. You are required to give at least a term's notice of your request (meaning that for the change to come into effect at the start of the next academic year your request must be received not later than the first day of the summer term immediately before) or (where a request is granted for a change that involves switching to a lower cost tariff) pay to the School the difference between the higher tariff from which you are switching (at the rate for the term in which the change takes effect) and the lower tariff.
- (c) The Head's discretion to remove your child from boarding or flexi boarding. The Head may in their discretion require you to remove your child from boarding or flexi boarding and move them to a day place if the Head considers that:
- (i) this is in the best interests of your child and/or other children and/or the School; and/or
 - (ii) the School is unable to meet your child's needs within the boarding setting (including cases where the School cannot reasonably accommodate

adjustments or provide the nature or level of support required by your child within the boarding or flexi boarding setting); and/or

- (iii) your child's conduct or behaviour (including conduct or behaviour outside School) is unsatisfactory such that moving your child from a boarding or flexi boarding to a day place is considered appropriate.

You will be charged the School Fees for your child's day place at the School with effect from the day your child is removed from boarding or flexi boarding.

- (d) When the relevant amount in lieu of notice must be paid. In cases under Clause 5(a) or Clause 5(b) above, the appropriate amount of fees in lieu of notice will become payable by you upon demand as a debt.
- (e) Notice to withdraw your child from participating in or from receiving a Service covered by a Specified Charge which is optional. If you wish to withdraw your child from participating in or receiving a Service which is covered by a Specified Charge and which is optional, you must either give a term's notice to that effect or pay to the School as a debt a term's Specified Charges for the relevant Service in which your child has ceased to participate or receive.
- (f) Withdrawal part-way through a term does not reduce the amount you owe to the School. **It is not possible for you to reduce the amount of Fees due, or to obtain a refund of Fees by withdrawing your child or by your child's ceasing to participate in or receive a Service part-way through a term.**

6. School Rules

- (a) Compliance with the School Rules. It is a condition of remaining at the School that you and your child comply with the School Rules. In addition, you must ensure that your child attends School, attends punctually and that your child conforms to any rules of appearance, dress and behaviour as we may issue (if not already included within the School Rules). You also agree that your child will take a full part in the activities of the School throughout the term, including at weekends, e.g. Chapel as expected, games, College sports teams and fixtures (including those scheduled on Saturdays), and CCF (membership of which includes overnight trips, is compulsory in Year 10 and pupils are expected to continue in year 11 & 12 unless they are accepted into the alternative programme offered by the School).
- (b) We may undertake drugs or alcohol testing of your child. **The School may undertake drugs or alcohol testing of pupils in accordance with its Drugs and Substances policy and Smoking and Alcohol policy to ensure compliance with the School Rules.** The School undertakes reasonable searching precautions to ensure that drugs and alcohol are not present on campus. The drugs and alcohol policies have been adopted for disciplinary purposes and with the aim of safeguarding the health and safety of all pupils.
- (c) Monitoring your child's telephone, email and messaging communications, internet and Wi-Fi use, and use of social media. **The School may, subject to applicable data protection legislation, monitor your child's telephone, email and messaging communication, internet and Wi-Fi use, and use of social media.** We may do this for various reasons, including ensuring compliance with the School Rules and suite of online policies or where it is appropriate or necessary for the School to do so (or indeed necessary) in connection with the School's legal and/or other duties and responsibilities or other legitimate purposes or good practice requirements.
- (d) Confidentiality. The School reserves the right to impart confidential information regarding either you or your child on a "need-to-know" basis where necessary to safeguard or promote your child's welfare or to avert a perceived risk of serious harm

to your child or to another person at the School. In some cases, teachers and other employees of the School may need to be informed of any particular vulnerability your child may have. In accordance with statutory guidance regarding the protection and safeguarding of children's welfare, this may include receiving and / or disclosing information from / to relevant outside agencies such as the Police and Children's Services. The School also operates a search and confiscation policy in line with government guidance.

7. Suspension, Expulsion and Required Removal

- (a) The Head's discretion to suspend or exclude your child from the School. The Head may in his or her discretion suspend or, in serious or persistent cases, expel your child from the School if the Head considers that your child's conduct or behaviour (including behaviour or conduct outside school or online) is unsatisfactory and/or the suspension or expulsion is in the School's best interests and/or those of your child or other children.
- (b) Where you can find examples of offences punishable by suspension or expulsion. The School Rules set out examples of offences likely to be punishable by suspension or expulsion. These examples are not exhaustive and the Head may decide that suspension or expulsion for a lesser offence is justified where there has been previous misbehaviour. All aspects of your child's record at the School may be taken into account.
- (c) The Head's discretion to require you to remove your child from the School. Instead of exclusion or suspension, the Head may in his or her discretion require you to remove your child from the School, or in the case of 7(c)(i) below may in his or her discretion exclude you from the School's premises and events, if the Head considers that:
 - (i) **your** behaviour or conduct (or the behaviour or conduct of one of you): is unreasonable; and/or represents a serious or persistent breach of any code of conduct in place with regards to parents; and/or causes a breakdown of trust and confidence; and/or adversely affects (or is likely to adversely affect) your child's and/or other children's progress at the School, and/or the wellbeing of School staff; and/or brings (or is likely to bring) the School into disrepute (among the School community or the general public); and/or is not in accordance with your obligations under this contract.; and/or
 - (ii) your child's attendance and/or progress at the School is unsatisfactory and/or in the reasonable opinion of the Head, the removal is in the School's best interests and/or those of your child and/or other children; and/or
 - (iii) separate to the Head's discretion to suspend or exclude your child under Clause 7(a), your child's conduct or behaviour (including conduct or behaviour outside School or online), is unsatisfactory and/or the required removal is in the School's best interests and/or those of your child and/or of other children; and/or
 - (iv) the School is unable to meet your child's needs, including cases where the School cannot reasonably accommodate adjustments or reasonably provide the nature or level of support required by your child.
- (d) What happens if your child is suspended, excluded or removed from the School. Should the Head exercise his or her right under either Clause 7(a) or Clause 7(c) above:
 - (i) you will not be entitled to any refund or remission of Fees due (whether paid or payable) in or relating to the term in which your child is excluded, suspended or removed;

- (ii) in respect of exclusions and required removals under Clause 7(c)(i), the deposit will be forfeited and retained by the School; and
 - (iii) in respect of exclusions and required removals, fees in lieu of notice will not be payable and any Fees that have been prepaid for or relating to any term after the term in which the exclusion/required removal occurred will be refunded.
- (e) Impact of expulsion or required removal on this contract. This contract will terminate with immediate effect if your child is excluded or if you are required to remove your child from the School and the School will stop providing the Services.
- (f) Your right to have decisions to expel or require the removal of your child reviewed. You are entitled to have decisions taken by the School and/or Head to expel or require the removal of your child under this Clause 7 reviewed. Any such review shall be governed by the Complaints Policy.

8. The School's Obligations

- (a) The period of your child's schooling. Subject to these terms and conditions, the School will provide the Services (except any optional Services that you have chosen not to receive) and accept your child as a pupil from the time of joining the School until the end of year 13.
- (b) Moving up the School. It is assumed that each child who satisfies the relevant criteria at the time will progress through the School and will ultimately complete the Upper Sixth Year (year 13). However, the School reserves the right to refuse at its discretion to allow a child to progress to the next stage of the School e.g. if they fail to meet the required academic standard. You will be consulted before the end of the term in year 11 if there appears to be any reason why your child may be refused a place at the next stage of the School. You must give a term's notice in writing in accordance with clause 5(a) above (i.e. before the start of the Summer Term in year 11) if you do not wish your child to proceed to the next stage of the School, or a term's fees in lieu of notice will be payable.
- (c) The scope of our duty to exercise reasonable skill and care. We will exercise reasonable skill and care in the provision of the Services. This obligation will apply during school hours and at other times when your child is permitted to be on School premises or is participating in activities organised by the School. **We cannot accept any responsibility for the welfare of your child while off the School premises unless he or she is taking part in a school activity or otherwise under the direct supervision of a member of School staff.** The School shall adhere to and comply with the *National Minimum Standards for Boarding Schools* (applicable from time to time) published under the Children Act 1989 (as amended or superseded).
- (d) Consent to participation in trips and visits, in contact sports and other sports activities. Unless you notify us to the contrary, you consent to your child participating, under supervision, in contact sports and in other normal sports and activities which may entail some risk of physical injury. You will be asked to provide prior written consent for participation in other non-routine activities which the School considers carry a greater risk of injury. You also consent to your child participating in trips and visits organised in the normal course of your child's schooling. You also consent to your child travelling by any form of public transport and/or in a motor vehicle driven by a responsible adult who is duly licensed and insured to drive a vehicle of that type.
- (e) What happens if your child needs urgent medical attention. If your child requires urgent medical attention while under the School's care, we will:
- (i) take action (for example, by contacting the emergency services);

- (ii) try to contact you and, if we cannot contact you, try to contact any other named emergency contact or 'responsible adult';
 - (iii) share relevant information that we hold about your child with any emergency services or treating medical professional (for example, by notifying them about any allergies which your child has); and
 - (iv) where necessary, deal with decisions about your child's medical treatment in accordance with the advice of the treating medical professional.
- (f) We will give you notice of significant changes. Our website and prospectus describe the broad principles on which the School is presently run. From time to time it may be necessary to make changes to any aspects of the School, including to the curriculum or to the manner of providing education for your child. Where practicable, we will give you notice of any planned changes that we regard as significant to your child's education prior to the end of the penultimate term before the change is to take effect. If you wish to withdraw your child from the School before the proposed change is set to take effect, then you will have sufficient time to provide the required term's notice of withdrawal to the School under Clause 3(a) or Clause 5(a) above. **When deciding whether to enter into this agreement with the School, if you wish to place specific reliance on a matter contained in the prospectus, website, any other promotional material, or a statement made by a member of staff or a pupil during the course of a conducted tour of the School or a related meeting you should seek written confirmation of that matter from the Director of Admissions before entering this agreement.**
- (g) Public examinations. The Head retains absolute discretion to determine whether or not a pupil should be entered for a public examination.
- (h) Your child's progress and needs at the School. We will monitor your child's progress at the School and produce regular written reports. **We will advise you if we have any serious concerns about your child's progress but we do not undertake to diagnose dyslexia, ADHD, or other conditions.** A formal assessment in relation to any potential special educational needs or medical conditions may be required to help enable the School to understand the nature and extent of your child's needs and what support it may be appropriate for the School to consider. Such assessments can be arranged either by you or by the School, or be jointly appointed and, depending on the circumstances, at your expense. Given that a purpose of such assessments is to help enable the School to understand what support may be appropriate for the School to consider, the School will be able to nominate (in consultation with you) the expert or specialist who will carry out the assessment, put specific questions to them, input into the scope of their assessment and receive a copy of their assessment (with your consent) and seek clarifications in relation to it. We expect you to engage with the School in a cooperative and transparent manner and provide assistance in relation to matters concerning your child's progress and needs including in relation to obtaining such formal assessments. Where a medical practitioner has advised that medication is required by your child, we require you to follow that medical practitioner's advice. Please note that any additional support required in connection with your child's special educational needs may carry a Specified Charge.
- (i) Religious observance and relationships and sex education (RSE) and health education. The School has a Christian ethos and welcomes staff and children from many different ethnic groups, backgrounds and creeds, as well as those with no faith. Religious observance, relationships and sex education (RSE) and health education at the School will be conducted in accordance with the School's policies.

9. **The Parents' Obligations**

- (a) We require your co-operation. In order to fulfil our obligations under this contract and to maintain a constructive and good faith relationship with you, we, the Head and School staff, need your co-operation, including in particular by you fulfilling your own obligations under this contract.
- (b) Examples of the co-operation and assistance we require. You must co-operate with the School and School staff in good faith, including by:
- (i) maintaining a constructive relationship with School staff, acting reasonably, and ensuring the tone, content, volume and/or nature of your communications with the School are reasonable and appropriate. You must refrain from any discriminatory, bullying or harassing conduct or behaviour towards staff including where this has the purpose or effect of violating the dignity of a staff member or creates an intimidating, hostile, degrading, humiliating or offensive working environment for them (for example, conduct or behaviour which constitutes sexual harassment);
 - (ii) complying with any policies relating to expectations concerning parental behaviour and conduct that may be in place from time to time;
 - (iii) encouraging your child in his or her studies, giving appropriate support at home, and ensuring your child attends school in accordance with our Attendance, Registration and Absentees (including missing education) Policy;
 - (iv) keeping the School up-to-date and informed about matters which affect or may affect your child;
 - (v) ensuring that all details or other information notified or otherwise disclosed to the School about you and/or your child are accurate, truthful and not misleading and that relevant details and information, or changes to any of them, are not withheld and are shared in a timely and transparent manner;
 - (vi) engaging with the School in a cooperative and transparent manner and providing assistance to the School so that your child can participate in, and benefit from, the School's provision of the Services; and
 - (vii) attending meetings and keeping in touch with the School where your child's interests so require.
- (c) You must notify us of your child's health/medical conditions or special educational needs. It is a condition of your child's joining and remaining at the School that you complete and submit to the School a medical questionnaire in respect of your child. You must inform the School of any health or medical condition, special educational need(s), disability or allergies that your child has at the time of joining the School or which subsequently changes or develops after joining the School, whether underlying, long-term, or short-term, including any infections or injuries. You must also provide us, whether upon further request by the School or otherwise, any reports (whether in existence or to be commissioned), other materials or information relevant to any of the same and cooperate with the School in relation to the same. This is so that we can best assess your child's personal educational and medical needs and also discharge our duty to safeguard your child and other children attending the School. If you withhold from us or otherwise misrepresent to us information of this nature in particular, please be aware that this may result in us exercising our right to end this contract under Clause 14(a)(ii) below.
- (d) Medical matters at school. In order that the best use may be made of the facilities and services provided under the National Health Service, every boarder must be registered on the list of the School Medical Officers while a pupil at the School. The School

Medical Officers shall have the final say concerning the management of pupils' medical matters whilst they are resident at the school: this may include the pupil having to leave school to go home or to a guardian during an episode of ill-health or other restrictions which affect the pupil attending class or participating in sport. Any pupils who are prescribed medication by any person (including a medical professional) other than the School Medical Officers must submit that medication for approval by the School Medical Officers prior to use. Parents must ensure that the Medical Centre is provided with correspondence by the person prescribing the medication. Any non-medical supplements must be brought to the Medical Centre by the pupil to seek approval for use within the School. All new boarding pupils will have a routine medical examination carried out by the school nurses. Any boarders that are on long term prescribed medication and/or have a significant medical history will have a routine medical examination with the School Doctor (or other doctor appointed by him), usually during the first term at the School. Arrangements can be made on request for a parent to be present but this is subject to the Pupil's consent if the Pupil is of sufficient maturity and understanding (usually at 12+ years).

- (e) Circumstances where we may require you to keep your child away from School. The School reserves the right to require your child to remain away from School in the following circumstances:
 - (i) due to a health or safety risk (including a virus, pandemic, epidemic or any other health or safety risk, including circumstances where the School reasonably concludes that your child does or may pose a risk of harm to themselves or others). We may provide Education Services to your child remotely during such period on an interim basis and to the extent this is reasonable or proportionate. For the avoidance of doubt, the School is not a remote-education provider and long-term arrangements in respect of remote provision are unlikely to be considered reasonable or proportionate; and/or
 - (ii) where a potential ground for required removal or exclusion is being investigated by the School and this relates to the conduct of your child or engages their (or another child's) safety or well-being. In such circumstances, the requirement to keep your child away from School would be a neutral act during the investigation procedure. (Alternatively, your child may be placed under a special regime if they remain on School premises); and/or
 - (iii) in accordance with Clause 4(i)(i).
- (f) You must notify us of any special arrangements needed for your child. You must inform the School of any situations where special arrangements may be needed for your child, including for their education or welfare, and provide on reasonable request from the School such further information as may be reasonably required by the School to understand the basis for and scope of such arrangements.
- (g) You must notify us of any court orders that relate to, or that may impact upon, the provision of education to your child. You must inform the School if, at any time prior to or during your child's time at the School, a court order is put in place or an undertaking is given to a court in relation to your child's attendance at the School and/or the School's provision of education to your child. In any such circumstances you must promptly provide the School with relevant information, including copies of the relevant court order(s) or undertaking(s), having obtained the permission of the court if necessary.
- (h) We require you to nominate a 'responsible adult' for us to contact in your absence. Where we notify you that this is a requirement (for example for parents who live overseas), you must complete and submit to the School a parental absence form for your child. This form will nominate a 'responsible adult' (or 'educational guardian') for

your child who, amongst other things, can be contacted if the School is not able to contact you and who can look after your child in your absence. If your child's visa is sponsored by the School as a Child Student or Student this is a requirement of their visa. If at any time during your child's time at the School you (or either of you) will not be in the United Kingdom at any time or will otherwise be absent from your main residential address for a period of longer than three (3) consecutive school days then you must also inform the School immediately in writing and provide the details required by the School as a result, including the name and contact details for a 'responsible adult' for the period of your absence.

- (i) Receiving information from you and sharing information with you. The School is entitled to assume that you have consulted with each other so far as significant decisions regarding your child are concerned. Accordingly, except under Clause 9(j) below or otherwise according to the circumstances, you (and each of you) accept that the School is entitled to treat:
- (i) any instruction, authority, request or prohibition received from one of you as having been given on behalf of both of you; and
 - (ii) any communication from the School to one of you as having been given to both of you.

Please note that any person who has parental responsibility for your child is entitled to receive certain core information from the School about your child's progress and attainment. The School will therefore disclose such information as a matter of routine to each such person unless the School is restricted from doing so by a court order (or similar direction) or by any other legal requirement or obligation (for example, under data protection law).

PLEASE READ THIS NEXT SECTION CAREFULLY – it sets out who needs to sign a notice of withdrawal of your child.

- (j) We are entitled to require that notices of withdrawal must be signed by both parents. **A notice of withdrawal of your child served under this contract (i.e., under any of Clauses 3(a), 4(c)(iii), 4(g), 5(a) or 5(b) must be in writing and signed by each of you as the holders of parental responsibility for your child (and the School shall be entitled not to accept such notice unless and until all holders of parental responsibility for the child have signed such notice).**
- (k) You must notify us of your child's absence from School. The Head must be informed as soon as possible in writing of any reason for your child's absence from School. Wherever possible the School's prior consent should be sought for absence from the School.
- (l) Raising concerns with the School and making formal complaints. If you have cause for concern about your child's safety, care, discipline or progress you must inform the School as soon as possible. Complaints should be made in accordance with the Complaints Policy.

10. **Insurance**

Your responsibility to make your own insurance arrangements. You must make your own insurance arrangements if you require cover for your child or their property while at School or for the payment of Fees due to absence of your child or closure of the School premises. Your child is included in an obligatory personal accident insurance scheme, the charge for which is included in the Fees.

PLEASE READ THIS NEXT SECTION CAREFULLY

Although there will be circumstances when it is appropriate to seek a parental consent, data protection and privacy rights belong to the individual. Children of average maturity will, from the age of around 12, have sufficient awareness of their own privacy to make certain decisions relating to their personal data themselves.

Furthermore, it will not always be necessary or appropriate for us to obtain consent for every use we make of personal data. The law recognises this but does require that we set out these uses clearly as far as possible. Please also see our 'Privacy Notice' which is available on the School's website.

11. How we may use Personal Information: References, Confidentiality and Data Protection

- (a) References for your child. We may supply information and a reference in respect of your child to any educational institution which you propose your child may attend or to any prospective employer, so that they can make a full and legitimate assessment of your child's suitability to be offered a place. Any reference supplied by us (or received by us) will be confidential. We will take care to ensure that all information that is supplied relating to your child is accurate and any opinion given on him/her. However, we cannot be responsible for any loss you or your child is alleged to have suffered resulting from opinions reasonably given, or correct statements of fact contained, in any reference or report given by us.
- (b) You are required to update us of changes to information held, or circumstances relating to, you and/or your child. You must:
- (i) confirm (or update, if necessary), when requested, such information (and/or documentation) about you and/or your child that is held by the School; and
 - (ii) inform the School of any change to your or your child's circumstances (including, where applicable, in connection with your child's entitlement to enter, reside and/or study in the United Kingdom), or to information about you or your child that has previously been notified to the School, including relevant contact details.
- (c) Data Protection Law. The School will process personal data about you and your child in accordance with data protection law, including the UK General Data Protection Regulation and the Data Protection Act 2018 (each as amended or superseded) and other related legislation. We will process such personal data:
- (i) as set out in this Clause 11, and in the School's 'Privacy Notice' which is available on the School's website as may be amended from time to time;
 - (ii) to comply with any court order, request from or referral to an appropriate authority, or legal, regulatory or good practice requirement;
 - (iii) to perform our obligations under this contract, and where otherwise reasonably necessary for the School's purposes;
 - (iv) where necessary for the purposes of legitimate interests pursued by us or a third party, except where such interests are overridden by the interests, rights or freedoms of either your child, you or a third party;
 - (v) to comply with our responsibilities as a licensed Child Student and/or Student Sponsor for immigration purposes. For example, by providing information relating to your child's right to enter, reside and/or study in the United Kingdom to the Home Office (and to do so whether your child is a sponsored child or not). Such information may include information about your child's immigration

status, attendance records, and any changes in your or your child's circumstances (including where your child is excluded, required to be removed, or this contract is terminated). Occasionally, information regarding your immigration status in the UK may also be required.

12. Intellectual Property Rights

Recognising these rights. We shall recognise any intellectual property rights created, generated or owned by or vested in your child.

13. Changes in Ownership, etc.

The circumstances in which we may transfer this contract to someone else. We may transfer our rights and obligations under this contract to another person or organisation. We will tell you in writing if this happens and we will ensure that the transfer will not affect your rights under this contract.

PLEASE READ THIS NEXT SECTION CAREFULLY - *it sets out the rights we have, and that you have, to terminate this contract early (that is, before the normal leaving date for the end of your child's schooling).*

14. Ending this Contract

- (a) *Our rights to end the contract.* In addition to where this contract is terminated automatically as a result of an exclusion or required removal under Clause 7, The School may end this contract at any time by notice in writing to you, without any obligation to return Fees to you and with the deposit being forfeited and retained, if:
- (i) you do not make a payment to us when it is due and you still do not make payment within fourteen (14) days of us reminding you that such payment is due;
 - (ii) you fail or refuse to provide us at any time with information we require under Clause 4(m); or we are not satisfied with the information you have provided (if any). Instead of ending this contract, we may otherwise refuse to allow your child to attend school until the relevant satisfactory information has been provided;
 - (iii) your child no longer holds an immigration status which confers a right to study in the UK;
 - (iv) you (or either of you) make a serious misrepresentation of facts or circumstances to us, or you (or either of you) withhold important information from us, about you and/or your child or that is relevant to the provision of the Services by the School to your child (such as misrepresenting at any point in time that your child is legally entitled to enter and study in the United Kingdom when in fact your child is not or any information about your child's health, medical conditions, special educational needs, disability or allergies);
 - (v) you (or either of you):
 - (aa) are unable, following our request, to demonstrate that you will be able to pay the Fees due under this contract;
 - (bb) repeatedly or persistently fail to pay the Fees when they fall due for payment;
 - (cc) are otherwise unable to pay your debts as they fall due;
 - (dd) are the subject of a bankruptcy petition or order; or

- (ee) you enter into an individual voluntary arrangement; or
 - (vi) you otherwise do not comply with (i.e. you breach) your obligations under this contract (including under Clause 9) such that we have a legal right to end the contract because of something you have done wrong or, in the Head's reasonable discretion, the School is not able to provide, or is compromised in providing, the Services it needs to in satisfaction of its obligations under this contract.
- (b) *Your rights to end the contract.* In addition, where you withdraw your child, you may end this contract at any time by notice in writing to the School if:
- (i) you have a legal right to end the contract because of something we have done wrong; or
 - (ii) the School becomes insolvent or goes into liquidation or receivership or administrative receivership or is wound-up for any reason.
- (c) *When this contract will end if not terminated early.* For the avoidance of doubt and without you or us having to provide notice, this contract will end at the end of your child's schooling at the end of year 13. This may be at the end of year 11 if your child does not meet any requirements imposed by the school under Clause 8(b) for entry to the sixth form.
- (d) *Ending the contract will not affect any accrued rights.* Once this contract ends, it will not affect any legal rights or obligations that either you or we have that may already have arisen, for example your obligation to pay any outstanding Fees. After this contract ends, you and the School will keep any rights each has under, or as a matter of, general law.

15. **Events outside of our, or your, control**

- (a) *What we mean by an "event outside of our/your control".* In this Clause 15 "**event**" means any event beyond either your or our reasonable control including acts of God, war, riot, civil commotion, compliance with any law or governmental order, rule, regulation, guidance or direction (including that of a local authority), accident, fire, flood, storm, pandemic or epidemic of any disease, terrorist attack, chemical or biological contamination.
- (b) *What happens if we are affected by an event outside of **our** control.* If an event arises which prevents or delays the School's performance of any of its obligations under this contract, the School will give you notice in writing. Provided that the School has acted reasonably and prudently to prevent and/or minimise the effect of the event (including by providing Education Services remotely, if appropriate), the School will not be responsible for performing those of our obligations which are prevented or delayed by the event.
- (c) *Events lasting more than 6 months.* If the School is wholly and completely prevented from performing all of our obligations as a result of an event (and we are unable to provide Education Services remotely) for a continuous period of more than six (6) months, the School will notify you of the steps we plan to take to ensure performance of the contract after such period and you will then, following receipt of such notice, be entitled to end this contract on written notice to the School and without giving a term's notice or paying fees in lieu of notice.
- (d) *What happens if your child is affected by an event outside of **your** control.* Subject to Clause 4(h) (which means that you are not entitled to a refund or reduction in Fees in cases of illness or absence), if your child is wholly and completely unable to receive any of the Education Services (including remotely) due to reasons caused by an event you must give the School notice in writing and the following provisions shall apply:

- (i) in consultation and cooperation with the School you must do everything you reasonably can to minimise the impact of the event in order to continue to perform your obligations under this contract in any way that is reasonably practicable in the circumstances; and resume the performance of the obligations as soon as reasonably possible;
- (ii) in circumstances where, following the efforts made and steps taken under sub-clause 15(d)(i) above, your child is not able to participate and benefit from any level of provision of Education Services by the School (whether at School or remotely) then you will not be responsible for failing to perform your obligations (including the obligation to pay Fees, pro-rated accordingly) during the continuance of the event; and
- (iii) if the event continues to prevent your child wholly and completely from attending the School or being able to receive any of the Education Services (whether at the School or remotely) for more than six (6) months, you or the School will be entitled to terminate the contract on written notice and without you being required to give a term's notice or to pay a term's School Fees in lieu of notice.

16. Communications between you and the School

- (a) We will use the contact details held by the School to contact you. Communications (including notices) will be sent by the School to you at the address(es) shown in our records, or using your other contact details included in our records. **You must notify the School of any change of address(es) or other contact details.**
- (b) How to provide written notice to the School. Notices that you are required to give under these terms and conditions must be **in writing** addressed to the Head and either:
 - (i) sent by email to the School using this email address: hmsec@eastbourne-college.co.uk
 - (ii) delivered by hand to the School;
 - (iii) sent to the School by recorded or other form of registered post requiring a signature upon receipt as proof of delivery; or
 - (iv) otherwise sent to the School's address by first or second class post.

We recommend that if you provide notice under any of Clauses 3(a), 4(c)(iii), 4(g), 5(a), 5(b) or 5(d) of these terms and conditions (i.e. those provisions dealing with withdrawing your child from the School or otherwise changing your child's place or the activities undertaken by your child) you telephone the School to confirm non-receipt if you have not received an acknowledgement from us within 48 hours (during term-time) and 72 hours (during a school holiday period) after sending the notice.

17. The Law that applies to this contract and where legal proceedings may be brought

- (a) The law that applies to this contract. The contract between you and the School is governed by English Law and either you or the School must bring legal proceedings in respect of this contract in the English courts.
- (b) Rights in relation to the enforcement of this contract. If we choose not to enforce any part of this contract, or delay enforcing it, this will not affect our right to enforce the same part later (or on a separate occasion) or the rest of this contract. If we cannot enforce any part of this contract, this will not affect our right to enforce the rest of this contract.

18. Changes to these Terms and Conditions

Reserving the right to change these terms and conditions. We reserve the right to change or add to these terms and conditions from time to time for legal, safety or other substantive reasons or in order to assist the proper delivery of education at the School. The School will send you notice of any such modifications prior to the end of the penultimate term before the modifications are to take effect. For example, if the updated terms and conditions are to take effect at the start of the Michaelmas term, we will notify you before the end of the preceding lent term.
