September 2026

INTRODUCTION

Eastbourne College is a co-educational HMC independent school of just over 550 pupils, of whom half are full-time boarders. It is a strong community with excellent links with local schools and the remarkable town in which it is located.

Academic standards are very high with an average of 80% of A-level grades being awarded A*, A or B in the last four years. At GCSE just under 60% of all grades awarded are 9 to 7. The College recruits from a wide ability range and value-added outcomes are exemplary. The majority of College leavers enter higher education in leading universities at home or abroad, with 60% of these gaining places at Russell Group universities this last summer.

The College is run as a seven-day week, full boarding school; values-led and loosely within a Christian tradition. Day pupils share the same wide curriculum as boarders and enjoy equal access to the physical and human resources of the school. Day pupils benefit from an extended day ending for most at 6pm although some remain later until 9pm on weekday evenings..

We are proud of our rich cultural and sporting traditions. The recently built Birley Centre is a hub of music practice, performance, composition and recording. There is an established partnership with Glyndebourne and links with Rambert Dance Company, local artists and musical ensembles. College artists exhibit in London, actors have starred in film and TV; the Design & Technology department wins an extraordinary number of Arkwright scholarships. In 2023, the College achieved a Platinum Artsmark Award by Arts Council England, the only school in Sussex to hold this award among 74 schools nationally. We have an enviable reputation for sport both regionally and nationally. Eastbournians frequently represent the county in hockey, rugby, cricket and netball; several old Eastbournians have gone on to achieve international honours. There are also thriving CCF, D of E and service programmes.

Eastbourne College places great emphasis on the importance of developing a school in which education is built on core values and positive, supportive relationships. These central qualities will endure long after a student moves on from the College. The five key values of participation, the pursuit of excellence, integrity, courtesy and kindness are, it believes, the bedrock upon which every child's education should stand, providing them with the wherewithal to flourish both at school and beyond.

THE POST

THE POST

The successful applicant will be expected to teach Art in this successful department to pupils of all abilities throughout the school. A specialism or a strong interest in photography may be beneficial as the department also delivers A-level photography. Applicants are expected to have good knowledge and genuine desire to extend their understanding across a range of media including painting, ceramics, photography, printmaking, and possess a working knowledge of Adobe Creative Cloud. GCSE and A-level pupils follow the Eduqas Art & Design specification. Art is a very popular subject for pupils in Year 9, where they develop the knowledge and skills to enable further study. The successful applicant will be expected to share their passion for Art by offering enrichment opportunities to pupils outside of the taught specifications.

All members of Common Room (teaching staff) are expected to play an additional part in the broader life of the College, by acting as a tutor in one of the day or boarding Houses and by offering their expertise, for example, in coaching team sports, or contributing to music, art, drama, debating etc.

THE DEPARTMENT

The art department is housed in the Casson Art School, named after Old Eastbournian Sir Hugh Casson. Within the department there are three full-time and one part-time highly qualified members of staff. Each member of the team has specialised in different forms of art and design. Through sharing ideas and processes we aim to offer a broad range of experiences and knowledge. We have particularly strong ceramic expertise within the department with one specialist teacher and two invaluable technicians with three-dimensional design degrees and freelance ceramics careers, who provide individual support for ambitious projects.

The department enjoys exceptional facilities and strives to stimulate, encourage, and sustain pupils' interest in the enjoyment of art. On the ground floor the ceramic studios are equipped with two large kilns, drying rooms, glaze room, plaster studio, outdoor sculpture area and a spraying room while the large digital media studio offers a Mac suite with variety of photo-manipulation and editing programmes. A photographic studio, dark room, and a light box for silkscreens and polymer etchings are also available. On the second floor there are three large painting studios together with a well-stocked storeroom and a resource room.

The department has an enviable record of examination success. At A-level in 2025 grades were 100% A* to B with 77% achieving A* or A. At GCSE, 88% of grades were 9, 8 or 7 and 92% 9 to 5.
